15 BEST CLEANSER

Philosophy Purity Made Simple, £17.50

Absolutely brilliant for de-puffing, tightening and brightening tired eyes in minutes. Use before applying make-up – even over make-up (they are a day-to-evening essential). You can see and feel the difference fast.

Bazaar's TIP from the TOP
To de-puff eyes, wrap an ice cube in muslin and press along the eye area. For the face, half-fill a balloon with water, freeze, then wrap it in muslin. It's great for firming
