FOR JET-SET SKIN

All signs of ageing – from wrinkles to sagging, dark spots and a dull complexion – are targeted by three light waves in one super-powerful device. Simply apply the booster cream and move it over the top.

FOR PERFECT PORES

Gently purge grime and stubborn make-up with this facial cleansing brush that rotates and vibrates. What's more, the double motion of the brush stimulates the skin's microcirculation for a naturally healthy glow.

FatGirlSlim Lean Machine, £120, Bliss (blissworld.co.uk)

FOR AN A-LIST SILHOUETTE

Get rid of lumps and bumps in time for summer with this new wonder massager. The two electronic rollers stimulate lymphatic drainage and detoxify orange-peel, leading to a smoother, more toned body.

Facialift, £25, Sarah Chapman (harrods.com)

FOR A HOLLYWOOD SMILE

This electric toothbrush automatically adjusts speeds to accommodate different parts of your mouth, so molars get more pressure than sensitive gums. A clever way to clean teeth.

FOR FIVE YEARS OFF YOUR FACE

This handheld massage tool boasts eight heads with 48 round spokes to knead, shape, lift and refine tense facial muscles and instantly deflate puffiness. It may look and feel strange, but it's well worth adding to your daily regime.

Diorshow Heat Curl, £23, Dior (available nationwide)

Youth Booster, £149, loma (020 7730 1234)

FOR A PLUMPED-UP COMPLEXION  
The cap of this anti-ageing serum contains a microchip to measure your skin's hydration levels. Place it on your face briefly, and each day you'll know if one, two or three pumps of this repairing youth booster is needed to top up your moisture levels.

Venus Naked Skin IPL Hair Removal System, £449.99, Gillette (08450 708090)

FOR A FUZZ-FREE BODY  
Previously, at-home IPL hair removal was a one-size-fits-all affair, but this little miracle zaps hair (in as little as six sessions) and has an added skin tone sensor that helps gauge the best light settings for your needs. We're sold!
