

BEST NAIL TREATMENT

Dr LeWinn's Renunail Strengthener, £17.50

Whether your nails are weak, peeling or splitting, this polish is an all-encompassing treatment to replenish and strengthen. It conveniently doubles up as a base and topcoat, too.

BEST NAIL INNOVATION

CND Vinylux Weekly Polish, £9.95 This is a clever hybrid of the classic DIY nail polish and a salon-applied, lasting gel manicure. The polish is easy to put on (and take off): simply paint your nails as normal but, unlike a home manicure or pedicure, it dries fast and lasts up to a week.

Leighton Denny excels at creating the perfect manicure

BEST NAIL POLISH

Leighton Denny Expert Nails High Performance Nail Colour, from £11 Denny is a long-term regular on *Bazaar* beauty shoots, and he excels at creating the perfect manicure. While we may not have his professional eye for intricate detail, we can get some of that glossy brilliance with his long-lasting, high-fashion polishes and his excellent range of tools.

BEST HAND TREATMENT

Sarah Chapman Skinesis Overnight Hand and Nail Treatment, £35

The facialist Sarah Chapman knows that, however impressive the results of her work on the face, uncared-for hands can spoil the effect, so she developed this amazingly effective anti-ageing serum to use at night.
