

L'Oréal EverStrong No Sulphates Reinforcing & Vitality Shampoo & Conditioner £5.99 each

"Using a sulphate-free shampoo and conditioner is better for my hair and makes it feel really soft. In summer I apply more conditioner to combat the effects of the sun."

Sarah Chapman Stem Cell Collagen Activator £245

"I have bought these for a treat and I use them morning and night. They do seem to give my skin a boost."

Laura Mercier Illuminating Tinted Moisturizer £33

"I use a nude shade, which gives a lovely, very light coverage on the skin."

Nice 'N Easy Non-Permanent in Beige Blonde £3.49

"When my hair colour looks a bit tired, this is so easy to use and an instant pick-me-up."

Diptyque Candle £40
"When I'm in a dressing room or a faraway hotel room, lighting one of these helps me chill out and leaves the room smelling sensational."

Eve Lom Dynaspot £22
"Perfect for when a little spot rears its head."

Xen-Tan Transform Luxe £24.99
"This is great for those very pale days!"

Trevor Sorbie Straight Smoothing Balm £5.59

"I wash my hair most days as I do a lot of exercise and hate my hair feeling sweaty. I always use protective balm before I blow-dry it to help keep it in good condition. I have a Brazilian blow-dry treatment annually as my hair is naturally curly, so I really look after it for the rest of the year and I never use straighteners."

E45 Intense Recovery Lotion £5.99

"In winter, the weather tends to dry out my skin a little, so I regularly apply moisturiser. I think I use double the body moisturiser in winter."

Ying Yu Facial Roller £28
"This is a jade stone you use to roll the muscles on the face."
